

## **AWA MD Guest Speaker at ITLS Awards**

Mark Rainbird, the AWA Managing Director, was recently the guest speaker at the awards evening for the Institute of Transport and Logistics Studies at the University of Sydney. Mark has also joined the ITLS Board of Advice.

The ITLS awards evening held on Saturday 31 March was another great success and for those who attended for the first time I appreciate the feedback on how great an evening it was. This is an evening in which we celebrate another year of success with our staff, our students, our Board of Advice our industry partners and the sponsors of prizes. Photos of the evening's proceedings have been posted to the ITLS website at [www.itls.usyd.edu.au/awards.asp](http://www.itls.usyd.edu.au/awards.asp) Please take a moment to have a look.

I would encourage all who did not share the evening to consider participating in 2008, which will be a very special event. Please note the date for your diary - Saturday 29 March 2008 (6-9pm tbc). Details will be circulated in early 2008. I hope to see you there.
